What You'll Find in the Community Area

Here's a breakdown of what's inside:

How to Earn

Discover the many ways to earn through 1st Gen — from investing in watches at exclusive member prices to unique job opportunities.

Raffles & Competitions

Every month, we host a raffle where a lucky member wins a free watch. More details are available in the Community area.

Events

Stay up to date with all our upcoming events — designed to inspire and educate both young entrepreneurs and experienced professionals.

Collection: Premium Prices

As a member, you get access to premium pricing on select watches. These discounted prices make it possible to earn profit by reselling on our Aftermarket — while giving new buyers a great deal who are seeking to join.

Aftermarket

One of our most exciting features. The Aftermarket is where members sell pre-owned watches — often earning up to **€399.95 per sale**. Our customers are always looking for deals here, and it's often how new members join and access all the perks.

Jobs & Opportunities

View current openings and projects you can get involved with. Got an idea? We're open to pitches.

Service & Repair

We're here to help you protect your watch and investments. Our repair and servicing ensures your watch can last a lifetime — and even be passed down.
